### WHO WE ARE:

- With more than 20 years of experience in construction, **U.S. Veteran Construction & Consulting Group LLC** understands what it takes to get things completed on time. We work with the most inspirational design partners to create exceptional spaces centered around the unique needs of each client.
- U.S. Veteran Construction & Consulting Group LLC** is here no matter where in the process you are. We pride ourselves on delivery that exceeds our client's expectations on every job. Our clients know that their project has been completed correctly with unmatched attention to detail and utmost professional respect.
- Interior design plans are created based on client needs. We take the time to listen and understand our client's situation, budget, and the look they envision for their homes and commercial spaces.
- Our *expert and licensed* team is proficient at optimizing design and monitoring construction to ensure that environmental and safety requirements are adhered to at all times.
- We provide unparalleled communication and support to all of our clients - by phone, in person, and through our simple to use interactive software system.

### WHAT WE DO:
